

# PORTRAIT SESSIONS

## **Corporate Headshots** .....\$250

This is a 30 minute session for one individual complete with a minimum of 10-15 fully edited images\* uploaded onto Google Drive or a personalized USB stick you get to keep. Perfect for business persons looking for a nice portrait of themselves for business related material. Corporate Headshots are typically my shortest sessions. Call me today to book a whole group session! (Group pricing varies.)

## **Senior/Student Session** .....\$350

This is a 45+ minute session for up to 3 outfit changes complete with a minimum of 30 fully edited images\* uploaded onto a personalized USB stick you get to keep. Perfect for students graduating from high school or college. (I can even do "Friend" sessions for this price.)

## **Group/Family Portrait Session** .....\$450

This is a one-two hour session for up to 5 people complete with a minimum of 30-35 fully edited images\* uploaded onto a personalized USB stick you get to keep. As long as it stays within the session time you can change your outfit as many times as is necessary!

## **Family Reunion** .....\$550

This is a one to two hour session for up to 12 people (Moms, Dads, littles, Grandparents, Relatives) complete with a minimum of 20-25 fully edited images\* uploaded to Google Drive or a personalized USB stick you get to keep. Ask about pricing for larger groups.

*All of the above sessions are for on-location sweet spots in the valley. In-studio sessions are reserved for smaller groups and individual portraits.*

## **Photographic Prints:** .....

Contact Sheet of all Culled Images .....	Included in Session Fee
8½" x 11" Wallet Sized Portrait Sheet .....	\$10.00
4" x 6" .....	\$5.00
5" x 7" .....	\$10.00
8" x 10" .....	\$25.00
11" x 14" .....	\$35.00

*\*Session fees include culled and edited images from your session which will be uploaded onto a USB stick with all chosen digital files © Amy Daggett Photography. Prints are not included in the session fees. I can print photographs in my studio or if you decide to take the digital files to a print shop and have them printed my recommendations are:*
