PHOTO RETOUCHING

Digital Retouching

Starting at
\$75/HR

The pricing for digital photo retouching varies depending on the specific requirements of your project. Each client's needs are unique, and some projects may be larger, requiring a customized quote. Feel free to reach out to discuss your retouching needs in detail, and I can provide an estimate tailored to your project.

Digital Scanning

Starting at
\$65/HR

Usually, we conduct digital scanning on-site. However, if needed, I can arrange for the photograph or print to be scanned by an external service based on your requirements. Feel free to contact me today to discuss the pricing for your project.
